Dear Gala guest,

We are looking forward to seeing you on Saturday, June 3 and celebrating **The Music Academy Presents *The Magic of Miraflores*** here at our beautiful campus.

On behalf of event Co-Chairs Belle and Lily Hahn and Mindy Budgor, we want to extend our most sincere gratitude for your support for this year's gala and the important work that the Academy accomplishes. Funds raised from the event directly support the Academy's *Sing!* children's choir and full-scholarship program.

We are pleased to share the following event details to help prepare you for a memorable evening...

- **ADDRESS:** 1070 Fairway Road, Santa Barbara CA 93108
- **PARKING:** Complimentary valet parking is provided for all guests.
- **EVENING TIMELINE:** 5:00 PM: strolling garden cocktail reception; 6:30 PM: beautifully appointed outdoor dinner; 7:45 PM: gala program and performance inside Hahn Hall featuring pianists' Vassily Primakov and Natasha Kislenko, soprano Michelle Bradley, and the *SING!* children's choir; 9:00 PM: post-concert dessert reception on the plaza in front of Hahn Hall.
- **DINNER/CATERING:** We are grateful to have DUO catering as our partners this year. Serving will be family-style and vegetarian/vegan options are available upon request at the event.
- **ATTIRE:** Elegant cocktail attire. Portions of the evening will be outdoors, and while we will have ample space heaters, a wrap or coat is encouraged.
- **ENVIRONMENTAL IMPACT:** We are pleased to share that this will be an environmentally conscious event with all leftover food being donated and/or composted and all floral décor being repurposed and/or composed.
- **QUESTIONS/CONTACT:** If you have any questions about the event, updates to your attendance or for any other needs, please contact Leila Drake at 805-695-7929 or ldrake@musicacademy.org. The Academy's gala website also has all event details noted: musicacademy.org/gala.

Again, we thank you for your thoughtful participation in this year's gala festivities.

We can't wait to celebrate this magical evening with you on June 3!

Gratefully,

Jonathan Bishop
Chief Advancement Officer
