

Summer 2023

Catalyzing the change that will
propel classically trained musicians boldly forward

A pipeline for leadership in new ideas, projects, and programs, the Music Academy's **Innovation Institute** is focused on the future of classical music. Fellows can select which offerings they would like to attend. While participation is optional offerings are scheduled at times that accommodate fellows' range of musical activities.

Summer Curriculum Highlights

- **Fast Pitch Awards** | <https://musicacademy.org/fellow-portal/competitions>
- **Innovation Workshops**
 - Interactive, hands-on, career-advancing seminars with musical leaders/entrepreneurs, often with a focus on developing ideas and projects
 - Workshop details announced in late spring and highlighted at the All-Fellows Innovation Launch on Wednesday morning, June 14

Alumni Enterprise Awards

- annual grant program, all alums are invited to apply each fall
- offers significant funding & professional development for emerging and established leaders developing impactful ventures | full details: <https://www.musicacademy.org/aea>
